

## Space Park Enology Club Presents:

# Exploring U.S. Craft Breweries

Friday, Oct. 18, 2013, 7:30 pm  
Embassy Suites Hotel, El Segundo

The Enology Club returns to the world of beer! Similar to our two previous beer tasting events from over a decade ago, we will try a variety of many different styles of beers. The common element in this tasting will be that they are all brewed here in the United States. We will skip the mass-market, highly carbonated, pale yellow, mega-brewery beers, and explore the current state of beer at craft breweries.

Since there are about two dozen major styles of beer and around 80 sub-styles of beer, our challenge will be to decide on which beers to include in the tasting. Focusing on US breweries does little to narrow the field of beers, since world-class examples of many of the classic English, German, and Belgian styles can be found in the line ups of US craft breweries.

The flights for this tasting will be arranged such that the attendees can compare and contrast the characteristics of specific groups of beer.

Our speaker for the evening will be James Hilbing, a dedicated and award winning home brewer, beer connoisseur, and all round knowledgeable beer guy. He is a member of both the American Homebrewers Association and the Strand Brewers' Club. He is also a Certified beer judge with the Beer Judge Certification Program. He will discuss beer styles, how to evaluate beer, the brewing process, and the ingredients used in making beer.

This amazing event will take place on Friday, October 18, at 7:30 pm at the Embassy Suites Hotel, 1440 East Imperial Ave, El Segundo, CA 90245, just west of Sepulveda. *A Charcuterie Platter along with pretzels will be served.* Sign up early to ensure your spot. You don't want to miss this one!
