

## Space Park Enology Club Presents:

# *From Malibu to Napa, Tasting the Great Wines of California with Cielo Winery & Bottle Rock Wines*

**Friday, September 26th, 2014, 7:30 pm – DoubleTree-South Bay, Torrance, CA**

Cielo Winery is returning to the Space Park Enology Club, and with an "old-new" friend! A favorite of the SPEC & located in nearby Malibu, Cielo makes big, bold wines in a style everyone can enjoy. Their Malibu Canyon Estate wines are spectacular; specializing in highly favored Cabernet Sauvignon & Bordeaux-style blends. And for you Cali-Rhone fans, their Cielo Malibu Canyon Estate Syrah can compete with the best Syrah's any winery in California has to offer!

Their wines from Northern California are known as the Woodstock Collection; primarily Napa Valley and its sub-region AVAs with names like "Deep Purple", "Blackbird" and "Witch". Cielo takes advantage of their relationships and vineyard partners "up North" to create terrific wines with full, rich, crowd-pleasing flavors primarily focused on Cabernet and Bordeaux-style blends.

Teaming up with Cielo Winery for this event is that "old-new" friend previously mentioned. Bill Hirsh has stepped away from the daily operations of Cielo in order to create his own line of great wines. For one of the first appearances anywhere, Bottle Rock Wines will be a part of this tasting. Bottle Rock Wines hail from the Santa Ynez Valley where Bill has partnerships with several outstanding vineyards & gets to create wines which represent his talent & the best Santa Ynez has to offer.

This event will feature a flight of Cabernet Sauvignon, a flight of Syrah & a mystery flight which we're sure you're going to enjoy as much as the Cab & Syrah!
