

Space Park Enology Club Presents:

Ballard Canyon AVA with Peter Stolpman

Friday, October 16th, 2015, 7:30 pm
Crowne Plaza Redondo Beach and Marina

The Space Park Enology Club is thrilled to host an evening with Peter Stolpman, managing partner of Stolpman Vineyards & Winery. Pete will guide us through a tasting of fabulous wine from the newest American Viticulture Area in Santa Barbara County, Ballard Canyon. The tasting covers Ballard Canyon signature varietals, Roussanne, Sangiovese, and Syrah, and features the very best that the Stolpman Winery has to offer: L'Avion, La Croce, Angeli, and Sangio degli Angeli.

Over 20 years ago, Pete's father, Tom Stolpman, discovered one of the greatest viticultural sites on earth and founded Stolpman Vineyards & Winery. Hidden in the hills of Ballard Canyon, on a Limestone outcropping & unobstructed from the Pacific Ocean wind, this unique land is naturally suited to grow Roussanne, Sangiovese, and Syrah grapes. Stolpman is committed to preserving the natural environment for their vines through natural, dry farming, and sustainable employment. In the winery, they prefer native fermentation & minimal manipulation. As a result, Stolpman creates natural, vibrant wines, with a Ballard Canyon AVA unique focus.

Stylistically, Ballard Canyon wines incorporate the various aspects of Santa Barbara County: cool-climate marine influences from the Santa Rita Hills in the west, moderated by the warmer climate of Happy Canyon to the east. By virtue of the distinct wind, weather, soil, drainage, and geology of Ballard Canyon, the wines express the broad spectrum of aromas and flavors that only come from growing in the mixed climate of this AVA. Ballard Canyon is positioned to become synonymous with great Roussanne, Sangiovese, and Syrah throughout the world.

Come taste some outstanding Stolpman wine from the Ballard Canyon AVA on **Friday, October 16th, 7:30PM** at the **Crowne Plaza Redondo Beach and Marina**, 300 N. Harbor Drive, Redondo Beach, 90277, at the corner of Harbor Dr. & Beryl St. An assortment of cheese and fruit will be served. **Space is limited**; sign up early to ensure you have a place for this great event!!

Reservations required by Friday, October 9th

Reserve **online** at <http://spenology.org/schedule.php> or by email
