

Space Park Enology Club Presents:

Exploring Michael Mondavi Family Estate Reds

With **Tim Holl**

Friday, February 19th, 2016 at 7:30PM

For four generations, the Mondavi family has crafted world-class wines in the Napa Valley. In 1999 Michael Mondavi, together with wife Isabel, son Rob Jr., and daughter Dina, purchased the land to plant the Animo Vineyard in Atlas Peak.

Today, the family owned estate is comprised of two distinct Napa Valley vineyards with unique growing conditions and terroirs – Animo & Oso Vineyards.

The Animo Vineyard, in the Foss Valley subzone of the Atlas Peak AVA, is situated in the southeastern quadrant of Napa Valley. The 15-acre vineyard rises from an elevation of 1,270 to 1,350 feet and features rolling hills and varied exposures. The Animo Vineyard provides fruit for both their **Animo and M labels**.

The second and larger property of the Michael Mondavi Family Estate is the Oso Vineyard. Located in the warmer northeastern quadrant of Napa Valley, the 95-acre Oso Vineyard is nestled between the peaks of Ink Grade and Howell Mountain. The Oso Vineyard is the key source of fruit for their **Emblem wines**.

This evening, we will be featuring a Cab based rosé, followed by a three-wine flight of non-Cab reds, then two, three-wine flights of Mondavi Cabernet Sauvignons. When was the last time you tasted a **\$200 Napa Cab?**
