

Space Park Enology Club Presents:

Maddalena & San Simeon Wines with Michael Parra

*Friday, November 18th, 2016, 7:30 pm
Crowne Plaza Redondo Beach and Marina*

The Space Park Enology Club is pleased to host an evening with Michael Parra, Sommelier for Maddalena, Opaque, & San Simeon Wines. These three brands are from the historic San Antonio Winery, the oldest producing winery in Los Angeles, which was the center of the California wine industry through the 1940's. San Antonio Winery has been making wine here since Santo Cambianica founded it in 1917 on Lamar Street and dedicated it to his Patron Saint Anthony.

During Prohibition, the Archdiocese of Los Angeles helped save the winery by granting Santo permission to make sacramental wines. When Santo passed away in 1956, the winery was willed to his nephew Stefano Riboli and his wife Maddalena. They quickly expanded to Northern California adding a Monterey vineyard and the prestigious Rutherford appellation of Napa Valley. In the 70's, they added vineyards in Paso Robles.

Today, the LA River is paved and the Los Angeles vineyards are all gone, replaced with businesses and homes. The San Antonio Winery remains as the oldest and largest producing winery in Los Angeles. In the early 60s, Los Angeles' Cultural Heritage Board designated the winery Cultural Monument Number 42. Still sitting at its original Lamar Street location, the winery is the last vestige of a rich Los Angeles winemaking tradition.

Today, San Antonio Winery has 20 different wine brands, each unique to their vineyards in Monterey, Paso Robles, and Napa Valley. For this event, Michael will give us a guided tour of their finest offerings from the Maddalena and San Simeon labels.
