

The Space Park Enology Club Presents:
A Tour of Paso Robles

Friday, April 7th thru Sunday, April 9th, 2017

The Space Park Enology Club is pleased to present a Luxury Coach Tour of the Paso Robles Valley and some of its great wineries. Our tour & coach will be provided by Breakaway Tours with over 20 years of experience in the Paso Robles area. Because of the size of the coach and tasting room limitations we have a maximum headcount of 36 participants.

The trip begins on April 7th (off-Friday) with transporting yourselves to the Oaks Hotel in Paso Robles (car, train or plane, it's up to you), where we will be picked up at 3:30 pm by Breakaway Tours and driven to 2 wineries. First we will head to **Sculpterra Winery**, then we're off to conclude the first day with a rare treat of wine tasting, appetizers and gourmet pizzas prepared for us by our old friends at **Tobin James Winery** (they don't do these sorts of dinners anymore, but we're 'Special'). Our coach will return us to the hotel by 10 pm.

In the morning, The Oaks Hotel includes a full breakfast buffet after which we will regroup for a pickup by the coach at 10 am, when we will be whisked off to 3 more wineries on Saturday. First stop is at **Adelaida**, followed by a mid-day stop at **Eberle Winery**, where we will taste wines and dine on Santa Maria style Bar-B-Q for lunch. Our final winery of the day will follow when we head over to **Ranchita Canyon Winery**. We will be returned to our hotel at 4 pm.

Everyone is on their own for dinner Saturday evening, but the hotel is centrally located and a short distance to many wonderful restaurants. On Sunday morning, you are free to enjoy your breakfast and a safe, leisurely drive home.

Hotel reservation cutoff is 5:00 pm March 7th. We have negotiated a special rate of \$215.10 per night plus room fees & tax. Approximate total cost for the 2 night stay is \$486.12 per single or double occupancy room. Let them know you are with the "Space Park Enology Club" to receive the special rate.

The Oaks Hotel – Paso Robles
