

Space Park Enology Club Presents

Ranchita Canyon Vineyard Wines

with Winemaker Bill Hinrichs

Friday, July 20th, 2018, 7:30 pm

The Space Park Enology Club is proud to welcome back Bill Hinrichs, Winemaker of Ranchita Canon Vineyard to pour some of his best Paso Robles area wines. Ranchita Canyon Vineyard is planted with 10 different varietals, using the latest “best practices” for canopy and irrigation management to maintain balanced vines for even fruit maturation -- with low yields per vine / acre. The vines are managed by hand with the utmost care, from pruning, shoot positioning, leafing, trimming, to harvesting. Bill’s artisan wine making style then strives to maintain the balance that begins in the vineyard – handcrafting a finished wine that brings out all the big flavors the fruit has to offer. Come taste Albarino, Cabernet Sauvignon, Sangiovese, Malbec, Petit Verdot, Grenache, Petite Sirah, and a Petite Sirah Port - Red wine enthusiasts’ dreams come true!

Bill and Teresa Hinrichs in 1999 were looking for a place to retire and raise their twins, when they fell in love with the hillside location of Ranchita Canyon Vineyard, which became a little bigger project than they planned. Located in San Miguel, just 10 miles north of Paso Robles, the vineyard first planted first vines in 1970. The Hinrichs family owns and operates the vineyard and winery with the goal to achieve rich, concentrated, bold fruit. Traditional “old world” family wine making techniques are combined with modern concepts, to ensure their grapes unique qualities are reflected in the wines.

This event will feature three flights with two varietals, and a blend in each, and finish up with a Petit Sirah port... WOW that’s a palate full!
