

Space Park Enology Club Presents:

“Name that Varietal” Blind Tasting w/Kyle Meyer of the Wine Exchange

“Bringing Fun to Work”

Friday, October 19th, 2018, 7:30 P.M.
Crowne Plaza Redondo Beach

The Space Park Enology Club is pleased to have Kyle Meyer of the Wine Exchange lead us in one of the most unique tasting experiences we’ve offered. There are so many wine varietals, both red and white, but how do you tell them apart? Does one varietal seem better for sipping and one better with food, and what should you expect to taste in a “classic” bottling of a varietal?

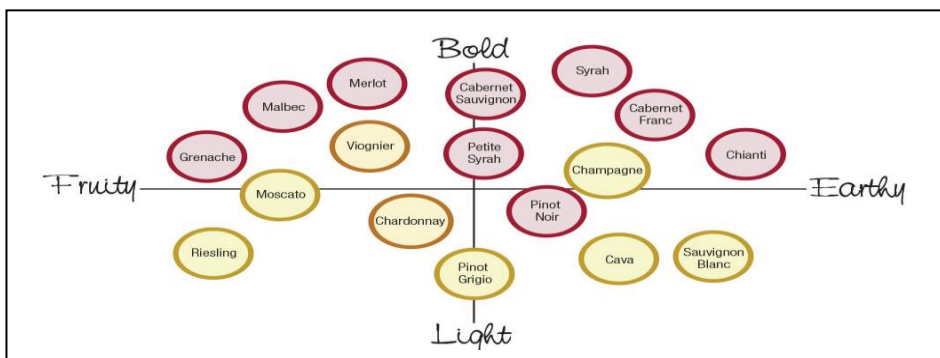

For fun and education, this tasting will be done completely blind - we won’t know what type of wine we’re tasting, but we’ll have some fun discussing what we taste and see if we can identify the varietal.

We’ll be tasting 4-whites and 6-reds and will learn what the “classic” flavor profiles are for Merlot, Syrah, Cabernet Sauvignon, etc. Prizes will be awarded to whoever identifies the most wines correctly.

Kyle Meyer returns by popular demand after our “Surfing through Spanish Wines” and the “ABCs of Italian Wines” events of the past 2- years. He is the Director of Operations and Purchasing for Best Wines Group. In 2015, after having been the renowned buyer at the Wine Exchange in Orange County for 20-years, he purchased the business. He has a reputation in the industry as a wine savant, writer, and an ultimate professional with a personable, true connection to everyone he meets!

Please join us for an assortment of both higher-end, and value wines, as we taste and identify the differences between different wine varietals - **Friday, October 19th, 7:30pm**, at the **Crowne Plaza Redondo Beach and Marina**, 300 N. Harbor Drive, Redondo Beach, CA 90277. An assortment of bread, fruit, and cheese will be served. **Sign up today as this event is sure to sell out!**
