

Space Park Enology Club Presents

Rhones & Rhone-Blends

Rideau Vineyard – Los Olivos District AVA

with Winemaker Adrienne St. John

Friday, November 16, 2018 @ 7:30 pm

The Space Park Enology Club is pleased to host a wine tasting event featuring Winemaker Adrienne St. John of Rideau Vineyard. Adrienne earned her Bachelor of Science Degree in Chemistry from Cal Poly. She subsequently finished her MBA in Strategy and Management, while working as the lab enologist as well as working in the cellar. Adrienne currently manages Rideau's annual production of approximately 7500 cases, consisting of a dozen different varietals.

Established in 1997, with the focus on the traditions of the Rhone Valley, Rideau Vineyard makes wines that are expressive of the varietal and vineyards from where they come. Rideau has continually focused on hand-crafted, small lot wines from grapes that are sustainably farmed from their estate vineyard.

Their grapes are hand-harvested at peak ripeness and employ whole cluster, dry stem fermentation, using only wild yeasts. Their reds are bottled unfiltered whenever possible.

Our three-flight tasting event will consist of a flight of Rhone whites, a flight of Rhone reds and a flight of Rhone blends.

Come join us and experience some wonderful wines produced in the Los Olivos District AVA on **Friday, November 16th, 7:30PM** at the **Crowne Plaza Redondo Beach & Marina**, 300 N. Harbor Drive, Redondo Beach, 90277, located on the corner of Harbor Dr. & Beryl St.

Seating is limited; please sign up early to ensure your seat at this great event!
