

**The Space Park Enology Club Presents:
An Evening with DAOU**

Friday, July 19, 2019, 7:30 pm

The Enology Club is pleased to present a wonderful evening with Tina Mace, Associate Wine Club Manager at DAOU. Tina became a resident of Paso Robles 8 years ago and discovered DAOU and joined the DAOU Family. Today, Tina is focusing her logistics and hospitality skills to help elevate your membership experience. Tina will introduce us to just a few of the estate and reserve white wines that are very refreshing, especially in the summer time. Then, she'll lead us into the Pinot, Bordeaux and Cabernet reds.

George and Daniel Daou (owners) purchased the property in 1981 and five years later started planting their vineyard. Daniel Daou staked everything on the bet and spared no innovation in planting the DAOU Estate vineyard with the finest Cabernet Sauvignon clones from around the world. He matched these clones to the unique conditions of each block, such as soil composition, exposure and microclimate. His plan was to make the best Cabernet Sauvignon.

To visit DAOU Mountain and the tasting room is an experience that you won't want to leave. Today, the "tasting room" is unlike any other. The beautiful view and atmosphere is only surpassed by the wine. DAOU wines are crafted by a Master Sommelier with food in mind as family and friends gather to share the table and celebrate holidays or just special occasions. George and Daniel believe that family and friends go hand-in-hand with wine being the perfect complement to both. While there were Zinfandel growers in Paso Robles area, George and Daniel focused on growing and producing Cabernet Sauvignon and making it the world's best.

Sign up early to join us at Crown Plaza on July 19. Don't wait since the seating is limited. DAOU is a high-end winery producing many award winning wines. DAOU strives to be the best and to be known for the finest Cabernet and Bordeaux. Producing great wines requires plenty of experience and special care from the vineyard through the wine making that drives a higher price. I think you'll enjoy every one of our selections.
