

Space Park Enology Club Presents:
A Virtual Wine Tasting of
Unique Single Rhone Varietals with
Winemaker Larry Schaffer of Tercero Wines
Friday, July 17th at 7:30 pm, via Zoom

We may be unable to host face-to-face meetings yet, but we are very excited to announce our second virtual wine tasting with special guest, Larry Schaffer, owner and winemaker of Tercero Wines from Los Olivos, CA.

As a winemaker and Board member of Rhone Rangers, Larry is uniquely qualified to lead us through an informative tasting and discussion of the Rhone varietals that he expertly produces. Our tasting will concentrate on three unique Rhone varietals namely Roussanne (white), Carignane (red), and Mourvedre (red). For red wine lovers, you should know that Tercero's Roussanne is a "big" white that acts more like a red and should be served only slightly chilled or at room temperature. We hope you will join us via Zoom and sip along by ordering a discounted set of these 3 wines directly from the winery (see details below). You can also join us on Zoom without purchasing these wines

Background: Tercero concentrates on making small lot, hand-crafted white and red Rhone varietals from leading vineyards in Santa Barbara County. Larry uses a minimalist winemaking philosophy, and, starting in 2014, all his reds are 100% whole cluster and foot stomped by him. Larry uses only older French oak barrels and he keeps his wine in oak longer than most (16 months for whites and up to 40 months for reds). Tercero's current annual production is about 2000 cases spread over 10+ different wines, including the unique single varietals and interesting blends.

Sign-up info: Larry has extended a very generous discount to us. Each participant has the opportunity to order a 3-bottle package of the wines we will be tasting directly from the winery for \$75, including both tax and shipping. This package includes one bottle each of the 2015 Roussanne, 2016 Carignane, and 2014 Mourvedre. Of course, at this price, you may want to order more than one set. The website will give you this option. Shipping should take only 3-4 days, but we suggest you order early to allow your wines time to rest before our July 17 tasting.

Order your tasting set(s) from Tercero Wines by Sunday, July 12 to ensure timely delivery
