

## **The Space Park Enology Club Presents:**

### **A Virtual Wine Tasting of Buttonwood Farm Winery with Winemaker Karen Steinwachs Friday, August 14th, 2020 @ 7:30 pm**

The Space Park Enology Club is pleased to present a virtual evening of wine tasting with Karen Steinwachs, winemaker at Buttonwood Farm Winery.

Karen broke into the wine business in 2001, leaving behind nearly 20 years in the tech world. Starting at Foley Estates, she did a wide range of jobs in support of Foley's wine production which prepared her to take the next step as assistant winemaker to Kathy Joseph at Fiddlehead Cellars. Starting at the ground floor, Karen's hard work and experience from Foley and Fiddlehead wineries prepared her for her dream job when she was hired for the position of Winemaker at [Buttonwood Farm](#).

Buttonwood is Santa Barbara County's original Farm-to-Table Winery. Its picturesque 39-acre vineyard sits above the Alamo Pintado creek bed in the heart of Santa Barbara County's Santa Ynez Valley. The winery's geography is ideally situated for warm days and cool nights providing an ideal climate for both their Bordeaux and Rhone varietals. In addition to the vineyards, this working farm has some 250 peach trees along with pear, pomegranate and almond trees. There is a row of olive trees and a plethora of vegetables and herbs too numerous to mention. Check out their website for more information about the farm.

**Wine Purchase & Event Registration:** Karen has created an all-inclusive wine package for the Enology Club. Each participant has the opportunity to order the Buttonwood BBQ 3-bottle pack, winery direct for the discounted price of \$89 and includes sales tax and all shipping fees. The package set contains one bottle each of 2017 Estate Malbec, 2017 Estate Merlot and 2017 Bordeaux blend, Classic Cuvée. Of course, you may want to order more than one set to share with friends in the future. Shipping and handling will take ~3-4 days; we suggest ordering early to allow the wine to rest before our August 14th tasting.
