

Space Park Enology Club Presents:

**A Virtual Wine Tasting with
Cindy Steinbeck and Bryan Widstrand
Steinbeck Vineyards & Winery**

Friday, November 20th at 7:30 pm, via Zoom

Steinbeck Vineyards & Winery is a gem in the heart of California's Central Coast, Paso Robles. The family has been farming in Paso Robles for seven-generations, the longest farming dynasty in San Luis Obispo County. Its 500 acre property provides premium fruit for labels such as Eberle, Justin and J. Lohr. The Steinbeck Vineyards & Winery label was launched in 2006. Setting aside some of its best fruit, and under the guidance of renowned winemaker Steve Glossner, Steinbeck consistently produces excellent, small batch, well-aged wines year after year. You can read more about Steinbeck at www.steinbeckwines.com and its history at www.winehistoryproject.org.

Steinbeck will be presenting three reds from their current release and one from their library, each of which is made from single block vineyard sites within the family's estate vineyard.

Steinbeck is extending a 40% discount off their wines for our event and two bundles to choose from:

Option 1 – 3 reds from current releases ~\$116 (includes CA tax & shipping, coupon code **SPACEPARK1**):

- 2015 Zinfandel, 2015 Cabernet Sauvignon, 2015 The Crash

Option 2 – full flight of all 4 reds: ~\$155 (includes CA tax & shipping, coupon code **SPACEPARK2**):

- Option 1 flight of reds plus 2014 Cabernet Sauvignon (Library)

The 2014 Cabernet from Steinbeck's library is the "bonus pour." Not only will you get to savor the complexity and structure of the 2014 vintage, but you will also get a sense of the evolution of a Steinbeck Cabernet after an additional year of aging in the bottle.

You read that right, 2015 vintage current releases. Many wineries would have these vintage years in their library. This is just one example of Steinbeck's commitment to crafting superb wines, allowing them to age to perfection. Cindy recommends you open these wines one hour before the event to allow them to breathe.

We hope you will join us via Zoom and sip along as Cindy and Bryan describe all four wines in the flight, their extensive history, their wine making process and field your questions. Order discounted wine bundle(s) directly from Steinbeck. You can also join this Zoom event without purchasing any wines.
