

Space Park Enology Club Presents:

***A Virtual Wine Tasting with
Owner/Winemaker***

Scott Neal of

Coeur de Terre Vineyards

Friday, January 15th, at 7:30 pm, via Zoom

The Space Park Enology Club is excited to announce our next monthly virtual wine tasting! Meeting price: Free. The wine you drink is your only expense.

Please join us in welcoming Coeur de Terre’s Owner and Winemaker, Scott Neal, in leading us through a tasting and discussion of three highly rated Pinot Noirs – all 91+ points! Watch and listen via Zoom and sip along by ordering the discounted set of these 3 wines. Or if you prefer, you can join us on Zoom without purchasing these wines (but, why would you want to do that?)

Background: Scott grew up on a farm in Southern Minnesota and developed a strong connection to the land and farming. When he met his wife, Lisa, they decided to move out of the suburbs and come to the Oregon Willamette Valley to grow Pinot Noir in the fall of 1998. They are very hands on and responsible for all aspects of the vineyard and winery operation. All new plants are grafted at the estate in their greenhouse from hand selected vines from the vineyard. They have exclusively farmed the property organically since its inception. The estate is a “no-till” vineyard which builds the soil food web and encourages regenerative agriculture. Scott concentrates on making wines using a minimalist touch to allow the wines to shine. Coeur de Terre is in the heart of the McMinnville AVA, the western most growing region of the North Willamette Valley.

Sign-up info: Coeur de Terre Vineyards has extended a special discount to us, so each virtual attendee can order this 3-bottle shipment directly from the winery for only \$95.00 plus shipping and tax. This includes one bottle each of the 2016 Tallulah’s Run Reserve Pinot Noir, 2016 Heritage Reserve Estate Pinot Noir, and the 2016 Oregon Pinot Noir. Of course, at this price, you may want to order more than one set, and the website will give you this option!

Shipping should only take 3-4 days, but we suggest you order early to ensure your shipment arrives before the event.

Order your Coeur de Terre wines by Saturday, January 9th to ensure on-time delivery.
