The Space Park Enology Club is excited to announce our July virtual wine tasting! Please join us in welcoming Jeff Cheney, Sales and Marketing Manager of Grimm's Bluff Winery, who will lead us through a tasting and discussion of the wines in this order: **2017 ESTATE SAUVIGNON BLANC, 2016 CLIFF HANGER CABERNET SAUVIGNON, and 2016 CONTANGO CABERNET SAUVIGNON.** Watch and listen via Zoom and sip along by ordering the discounted set of these three organic wines.

**Background:** The Grimm's Bluff vineyard sits 300 feet above the Santa Ynez River at an altitude of 850 feet above sea level. The 16.5 acres vineyard is certified biodynamic and part of a 246-acre ranch, owned by Rick and Aurora Grimm, located at the southeast corner of the Happy Canyon AVA. Biodynamic and organic methodology has been practiced from inception. No herbicides, pesticides or artificial fertilizers have been used in this vineyard. The cabernet sauvignon grapes that make Cliff Hanger are only selected from the trellised rows of the vineyard and the cabernet sauvignon grapes that make Contango only come from the head-pruned rows of the vineyard.
