

Space Park Enology Club Presents
Top 100 Wines for Valentines
 with Phil Markert & Kirk Foldenauer
 of Albertsons, Vons, & Pavilions
Friday, February 11, 2022, 7:00 pm

This month the Enology Club is excited to present a unique wine tasting based on **Wine Spectator** and **Wine Enthusiast Top 100 Wines of 2021**. We have partnered with Phil Markert, Director of Liquor for Albertsons/Vons/Pavilions, to obtain these hard-to-find wines & help guide us through a virtual tasting where participants will be encouraged to comment on how they like each wine.

Every year Wine Spectator (WS) reviews about 12,500 wines & Wine Enthusiast (WE) reviews about 22,000. In 2021, 45% of WS wines rated 90 points or above on a 100-point scale. From that pool of 90+ wines, WS selects its Top 100 based on quality (score), value (price), availability in the US, and an X-factor (story behind the wine). WE uses a similar rating/selection system. Check out their full Top 100 lists at:

For our **“Top 100 Wines for Valentines”** tasting, our Programs Chair, Jan Adleman, and Pavilions’ Import Manager, Kirk Foldenauer, have assembled a 6-bottle bundle of wines from WS & WE lists that balance both quality and value. Pavilions has offered this bundle to us at the discounted price of ~\$105 (before tax), including their 6-bottle 10% discount plus a special \$12 off coupon, exclusively for us. The bundle consists of 2 whites & 4 reds, all rated 90-93 pts, which will be tasted in 3 flights of 2 wines each in the following order:
