

Space Park Enology Club Presents
Pali Wine Company
with winemaker **Aaron Walker**
Friday, April 14, 2023, 7:30 pm

We hope you can join us for a virtual wine tasting featuring Pali Wine Company winemaker, Aaron Walker. The Pali Wine Company was founded in 2005 by Tim and Judy Perr who indulged their passion for wine through years of travel to Europe and Northern California. They created Pali with an intent to produce high quality Pinot Noir and Chardonnay.

The Pali website says: "It is impossible to imagine our favorite nights with friends and family, our most memorable meals, and our fondest memories without a glass of fine wine." This theme is embodied in **three brands: Pali, Tower 15, and Neighborhood.**

Pali Wine Co. crafts world class, critically acclaimed Pinot Noir and Chardonnay, sourced from vineyards in and around the Santa Rita Hills, where the transverse ranges, limestone rich soils, and cool ocean fog are ideal for growing Pali's grapes.

Tower 15 Winery produces powerful, small lot, nuanced wines with grapes purchased from small, family-owned vineyards across California's Central Coast. They source a wide range of high-quality grape varieties resulting in an unprecedented diversity of bottlings.

Neighborhood Winery was established to introduce creative, playful natural wines. It specializes in interesting, zippy, fun cuvées, both daring and traditional, that push the boundaries of conventional wine flavor profiles.

Our tasting features two Pali and two Tower 15 wines, tasted in the following order:

1. Pali, 2021 Pinot Noir 'Riviera'
2. Pali, 2018 Pinot Noir 'Summit'
3. Tower 15, 2017 Red Wine Blend 'Jetty'
4. Tower 15, 2021 Mourvedre 'Enz Vineyard'
