Space Park Enology Club Presents

a Virtual Wine Tasting featuring

Dragonette Cellars

with Brandon Sparks-Gillis

Friday, April 25th, at 7:30 pm, via Zoom

On April 25th, your Space Park Enology Club will host a virtual tasting with one of Santa Barbara County's finest wineries, Dragonette Cellars. Brandon Sparks-Gillis will be our host for the evening which will feature three selections from their current releases, along with an optional, and freshly bottled Santa Rita Hills Chardonnay.

Celebrating their 20th year in business, Dragonette Cellars was founded in 2005 when Brandon joined with Dragonette brothers John and Steve with a shared passion to create extraordinary wines sourced from some of the finest cool-climate vineyards in the Santa Rita Hills and nearby AVAs. With their dedication to patient, hands-on vineyard management paired with a minimalist approach to winemaking, Dragonette Cellars has grown into a highly acclaimed boutique winery. Their limited productions of largely single-varietal creations result in wines of quality and distinction that frequently earn scores of 93 upward to 98 points, and higher from respected professional reviewers.

Attendees have two options for enjoying the evenings festivities. The first is a three-bottle set of Santa Ynez Valley Rosé, Santa Rita Hills Pinot Noir, and Seven Syrah. The second option contains the three-bottle set plus their latest Santa Rita Hills Chardonnay. Dragonette has offered us a very generous discount for wines tasted during this event only, making the cost of the three-bottle set \$100 plus tax. The four-bottle set including the 2023 Santa Rita Hills Chardonnay is priced at \$140 plus tax.
