

Space Park Enology Club Presents

a Virtual Wine Tasting featuring

Zaca Mesa Winery

with Kristin Bryden, Hilary Key, & Carey Villasenor

Friday, August 22nd, at 7:30 pm, via Zoom

Join us for a virtual tasting with Zaca Mesa, the OG of Rhône varietals in Santa Barbara County. GM and Head Winemaker Kristin Bryden, Direct-to-Consumer Manager Hilary Key, and Brand Ambassador Carey Villasenor will be our hosts for the evening which will feature four selections from their current releases.

Zaca Mesa Winery & Vineyards was founded in 1973 by John Cushman and friends. It was just the third winery established in Santa Barbara County and they planted several varietals to see which were best suited to the unique terroir of the area. Zaca Mesa's first winemaker, Ken Brown, was the first to plant Syrah in Santa Barbara County.

Since 1997, their vineyard and winemaking practices have been focused on growing and producing excellent terroir-driven, Rhône-style wines. With this concentrated direction, Zaca Mesa wines have consistently received many 90+ scores throughout our history.

Zaca Mesa has been dubbed "Zaca University" as a training ground for many great winemakers. Continuing that legacy today is **Kristin Bryden**, who became head winemaker in 2016. She takes a hands-on, artisanal approach to crafting quality wines that reflect Zaca Mesa's unique site. Visit Kristin, Hilary, and Carey at the Zaca Mesa Winery for an elevated wine tasting experience in Lounge, Terrace, or Courtyard settings with beautiful views of the estate.

Zaca Mesa is offering two tasting set options for this event. The 3-bottle set includes a richly complex Roussanne, a spicy Z Cuvée Rhône blend, and a decadent Clydesdale Syrah. The Z Cuvée and Clydesdale Syrah both received 92 points from Wine Enthusiast. The 4-bottle set adds a stunning Z Three Rhône blend. Zaca Mesa is offering us a special 20% discount when we purchase 3 or more bottles from their website. Orders must include the 3-bottle set to receive the discount. You may add any additional bottles from the website and receive the same 20% discount. Standard shipping rates apply for all orders.
